

How We Work

Our easy process is designed to help you enjoy the wedding of your dreams with as little hassle as possible.

*You start with a short phone call,
then we arrange a time to begin.*

1. Meet the Planner

A member of our team will meet with you, so we can get to know each other. Together we will talk about your dreams and explore your needs. (FREE 30 to 60 minutes face-to-face meeting)

2. Choose a Package

You decide if you would like to take advantage of one of our custom priced packages. (During the Meet the Planner session)

3. Sign an Agreement

Once you have decided on which package will work the best for you, we will both sign an agreement of how to move forward. A deposit is paid and a date is set to Get Started. (During the Meet the Planner session)

4. We Get Started

We will get together again to go over your dreams and any plans you have already made. We will share with you some ideas for saving money, setting your agenda so things run smoothly and offer some peace of mind that you've thought of everything. Then we will set a date for the next step. (approximately 60 to 90 minutes)
